

Candidate Pledge

Truth is the absence of Hate; we must be anti-Racist and anti-Xenophobic.

Justice is the absence of poverty in the world we live in; we must strive for the erasure of poverty.

Love is the absence of violence; both foreign and domestic.

As a Party Candidate with Justice For All, my Campaign's Duty is to uphold these core principles in our practices and policies as we reach for Representation of Our Communities. I pledge to do so.
